Forecast from Stevenson.

Chicago, Oct. 27.—Adm. E. Stevenson is the first of the candidates on either national ticket to give a forecast of the election result.

In the doubtful list of 120 votes, sufficient to give the election to either Bryan or McKinley, the Democratic candidate for vice-president places the following states:

| | |
|-----------------|-----------------|
| Illinois.....24 | S Dakota... 4 |
| Kansas.....10 | Washington... 4 |
| New Jersey...10 | W Virginia... 6 |
| New York....36 | Delaware.... 3 |
| Ohio.....23 | |

Total.....120

For the democratic ticket he claims:

| | |
|----------------|------------------|
| Alabama....11 | Montana.... 3 |
| Arkansas.... 8 | Nebraska.... 8 |
| Colorado.... 4 | Nevada..... 3 |
| Florida..... 4 | N Carolina...11 |
| Georgia.....13 | S Carolina... 9 |
| Idaho..... 3 | Tennessee...12 |
| Indiana.....15 | Texas.....15 |
| Kentucky...13 | Utah..... 3 |
| Louisiana... 8 | Virginia.....12 |
| Maryland.... 8 | Mississippi... 9 |
| Missouri....11 | |

Total.....198

To McKinley Mr. Stevenson concedes:

| | |
|------------------|-----------------|
| California... 9 | N Dakota... 3 |
| Connecticut... 6 | Oregon..... 4 |
| Iowa.....13 | Pennsylvania.32 |
| Maine..... 6 | Rhode Island. 4 |
| Massachusetts.15 | Vermont.... 4 |
| Michigan....14 | Wisconsin...12 |
| Minnesota... 9 | Wyoming.... 3 |
| N Hampshire 4 | |

Total.....138

In discussing the list of doubtful states Mr. Stevenson said: "Four years ago Ohio gave McKinley a little less than 50,000 majority. Last year in the state campaign there was a clear majority of votes cast against the republican candidate for governor and the issue at that time was 'stand by the president.' Mayor Jones received over 100,000 votes in that election. He now is making speeches for Bryan in Ohio and undoubtedly has a strong following who will go with him to the polls. I was informed that there is much dissatisfaction with the national administration in Ohio and I was told, too, that the Quaker vote in the eastern part of the state may go for Bryan. Although the election in West Virginia is close,

the indications point to our success. This is true in Maryland and New Jersey, but in New York and Delaware the democrats are confident they will carry these states. I believe the democrats have much better than a fighting chance in Illinois.
